Travel-Highlights

«hidden»

... it is not only the wonderful garden of the 4 star charme hotel positioned near the harbour and main street of Santa Marina Salina. You will stay in these ancient dwelling from the families of the merchant of the sea built in the eighteen hundred.

«traditional»

... is the architetturale style of Salina and the distant Alicudi, Filicudi and Panarea. In occasion of our explorations on these islands, we will reach by boat, we meet up with the tradition of the typical white houses in cube shape of the Eolie.

«crystalline»

... it is green-blue shimmering sea, that we will cross on a private boat – an ecstasy of colors invite you to relax on board, swim and dive ...

«stony»

... is the path that takes you right on top of the Monte Fossa e Felci and the Monte dei Porri. The climbers of the heights will be rewarded with a spectacular view of the sister islands and with a bit of luck you will see even the mainland of Sicily.

«gracile»

... brightly colored, that is the way the eolien orchid presents itself - if not stolen from its beauty ... the caper is nothing else then the close bud of this orchid. Salina is the most important caper cultivation in the world, an authentic paradise for those who love them!

«explosive»

... is the Stromboli, that spits fire and burning lava from his mouth. After a tasty diner of pasta on board of our private boat, we will observe in the nightfall the beauty of the nature in a privileged position.

«catch»

... exceptional is what you find on the market in Catania, like the luxuriant vegetables and the colorful fruit. We discover together the baroque city the day before we leave. A dive in the lively mediterranean city.

... and

- > a walk to Lingua, a village on Salina island, followed with a typical lunch
- > tasting the Malvasia of Lipari DOC from a winemaker at Salina

Ulimengo-Bricks
